

Redline Revision- Policy and Fee Structure

A Redline Revision is a change to a site plan that was previously approved by the Frederick County Soil Conservation District (SCD). Redline Revisions may be requested by an SCD inspector, Frederick County Environmental Compliance, or the Maryland Department of Environment (MDE). Redline Revisions may also be requested by the site developer/engineer. The fee structure for Redline Revisions is as follows:

- I. Redline Revision requested by a SCD Inspector, Frederick County Environmental Compliance, or MDE: \$300 Administrative Fee.
 - a. Supporting documentation to include inspection report or letter from inspector justifying the requested changes must accompany the Redline Revision submittal.

- II. Redline Revision requested by developer or engineer: \$300 Administrative Fee + \$100/per acre Final Bill once approved for signature.
 - a. Redline Summary must be provided on the cover sheet during submittal.

Date Policy Passed: 04-26-2024
